**\* Can you make a snowball?**

Select one option per record, and record letter in the table above.

- (A) No, there is not enough snow.
  - (D) Somewhat, parts of the snowball stick together, others fall apart (snow is moist).
  - (F) Yes, the snow is very wet.
- (B) No, the snow is too icy / hard.
  - (E) Yes, the snow makes a perfect snowball!
  - (G) Yes, the snow melts in my hands & my hands are soaked.
